

# ABC AUDITION ON CAMERA WORKSHOP

*Whether just starting out or a seasoned veteran, this workshop is for you!*

**SATURDAY JULY 10th IN SHREVEPORT**

**Casting Directors** Tara Duncil and Jamie Baremore present this unique and comprehensive workshop tailored for actors auditioning in the Louisiana market. Tara & Jamie have had the privilege of auditioning and casting many local actors in films such as; Oliver Stones “*W*”, “*Secretariat*”, Local Director Jeffrey Goodman's “*The Last Lullaby*”, “*Open Gate*”, “*Year One*” etc.

Let this dynamite team teach you what works in an audition setting and how you can stand out from the other actors seeking **YOUR** role!

## ABC...

**ATTITUDE** adjustment-What should you be doing from the time you hear you have an audition till you arrive home?

**BUILDING** blocks-steps you can use for an effective audition.

**CONFIDENCE**-trust in your audition and own the room.

You will leave this workshop with a better understanding of what goes on in the audition room and how your choices can make you shine!

Sides will be sent once your registration is complete so you can come prepared just as you if you were attending an actual audition. We will take you that extra step and teach you how to **WOW** the director!
